About You

Why do you want to become a certified life coach?

Do you have a formal or self-study knowledge in personal, spiritual, emotional, mental, physical, relationship or business growth? If so, what topics have you studied? What is your experience? Who were your mentors/teachers?

Do you have a belief in a higher power? If so, how do you define your belief? *

*We honor all beliefs/faiths/perspectives and will address the common thread throughout all beliefs while honoring and encouraging your perspective.

One Year from Today

What will the date be, one year from today?_____

What would you like life “look like” because of completing your life coach training & certification program? Where do you want to apply your new skills? **

** Many people take this course for personal growth. Others take it to integrate skills in their current career, build their resumé, start a side-hustle or begin a full-time business. Whatever the reason you have today, we would like to learn more about your ideas/goals because we know the power of beginning with the end result in mind.
